**About blinkx**

blinkx (LSE AIM: BLNX) is an Internet media company that connects consumers and brands through premium content online. Founded in 2004, blinkx pioneered Internet Video Search using its patented COnccept Recognition Engine (CORE). This technology leverages speech recognition, text and image analysis to deeply understand the meaning and context of video content to generate improved search relevancy for consumers and a brand safe environment for advertisers. Through its partnerships with hundreds of media companies, including NBC, Conde Nast, Reuters and Bloomberg, blinkx has indexed and search enabled millions of hours of video content. blinkx powers video search, discovery or monetization on thousands of online properties including Lycos, Discovery Networks, CBS and Fox Sports. blinkx is headquartered in San Francisco, California with 15 offices worldwide.
